

Racohi® RCH-200 blast machines

The Racohi® RCH-200 portable blasting equipment is designed and manufactured by Couto Industrial to the highest quality standards to meet the needs of the industry.

ABRASIVE BLASTING

PORTABLE BLAST MACHINES RACOHI RCH-200

CHARACTERISTICS:

- Capacity of 200 liters.
- Simple chamber with a single outlet.
- Possibility of mounting different types of metering valves.
- Maximum working pressure: 12 bar; test pressure: 17 bar.
- Internal piping 1 1/4". Rubberized piping in the parts with abrasive flow.
- Universal RFT coupling for blast hose.
- Loading device on concave bottom to facilitate abrasive loading.
- Conical bottoms allow a smooth and uniform abrasive outflow.
- Compact design for easy handling and transport on site.
- Remote control system option.
- CE certified.

ABRASIVE TYPES:

- Grit.
- Steel shot.
- Copper slag.
- Garnet.
- Olivine.

APPLICATIONS:

- Renewable energies.
- Shipyards.
- Metallic structures.
- Bridges.
- Tanks.
- Boiler works.
- Refineries.
- Restoration.
- Facades.

Model	Capacity(l)	Dimensions L. x W. (mm)	Weight (kg)
RCH-200	200	Ø 610x1350	175
Equipment RCH-200	200	-----	-----

Each standard RACOHl blasting unit is supplied with FSV/ MICRO II abrasive metering valve, RCV-125 remote control valve, deadman handle DMH-125, twin hose with couplings, anti-abrasive rubber blast hose with metal coupling, nylon nozzle holder, STORMBLAST tungsten carbide blast nozzle, Xester CE approved blast helmet, Xester Heavy Duty blasting coverall and pair of gloves.

The Surface Finishing Expert

PRODUCT AND SERVICES

Portable blasting equipments / Nozzles and nozzle holders / Hoses and couplings / Lighting systems / Wet blasting / Dust-free Vacuumblast / Waterjetting / Abrasive vacuum recovery systems / Dust collectors / Dehumidifiers / Blast rooms / Blast cabinets / Internal pipe cleaners / Airless painting equipment / Plural component systems / Internal pipe painting / Low pressure painting equipments / Dry ice blasting / Personal protection / Measuring instruments / Abrasives
